

REIMAGINE YOUR BACKYARD POOL

MAXIMIZE YOUR POOL FOR FUN AND FITNESS

Endless Pools® offers a range of products to bring more fun, more fitness, and more across-the-board usefulness to your new or existing backyard pool.

FASTLANE® PRO

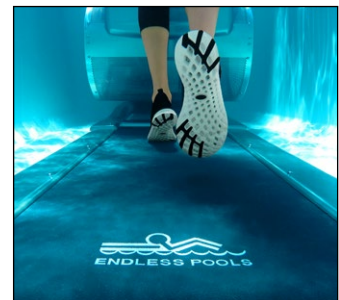

Our smooth, signature swim current that's fully adjustable for all-level swimming, aquatic exercise, or a pool-wide lazy river.

FASTLANE SPORT XP

Designed for recreational swimmers, with a resistance current that's versatile for fun and fitness.

HYDROSTRIDE™

Walk, jog, or run in your backyard pool with our underwater treadmill! Easily adjust the speed for an efficient workout as easy and fun as a dip in your pool. Now available to install in new or refurbished backyard pools.

COMPARING YOUR OPTIONS

The Fastlane® transforms any traditional pool with a versatile current for swimming, fun, and fitness. You can choose from two Fastlane models to suit your lifestyle and budget.

Enhance your fitness and therapy options by combining a Hydrostride™ underwater treadmill with your Fastlane Pro*. With the Fastlane Pro's adjustable current, you can gently develop balance during your walk or engage your core for a more challenging run.
